

## Topics Covered in S1

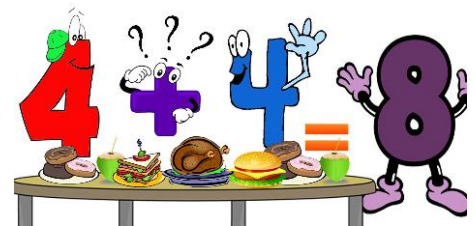

When you start your course with us we will start with some topics that you may recognise from primary. This will give you a chance to do some revision and consolidation, allow you to settle into a new way of working and give your teacher a chance to get to know you. Below is what your learning in S1 will look like.

### Whole Numbers

#### Assessment 1

Why didn't the two 4's feel like dinner?  
Because they already 8.

Rounding

Decimals

Fractions, Decimals  
and Percentages

Time

#### Assessment 2
