S1 individual photographs, Monday 14th December 2020

Dear Parent/Carer,

I hope that this letter finds you safe and well.

S1 individual pupil photographs are scheduled for Monday the 14th of December. The photos had originally been planned for earlier in the session but we took the decision to postpone these until we had further clarity from the local authority. Following advice from North Ayrshire and other secondary schools we are now pleased to say that we are in a position where the photographs can go ahead. The safety of our pupils is paramount to everything that we do so we have worked with the photographer to ensure that all the necessary measures are in place and are in line with current guidance. It is also imperative that we obtain up to date photographs of our S1s as the photographs that we currently hold are ones from primary school. If, however, you would prefer for your son/daughter not to have their photo taken then please just contact the school office.

Can I also take this opportunity to once again reiterate how proud I am of my year group. I have thoroughly enjoyed getting to know them over the past few months and I am hugely impressed with the progress that they are making. I cannot wait to see what terms 3 and 4 bring!

I hope you and your family have a lovely Christmas and a very relaxing New Year!

Best wishes,

A handwritten signature in black ink that reads 'J House'. The signature is written in a cursive style with a large, looping initial 'J'.
