Dear Parent/Carer,

I hope that this letter finds you and your family safe and well.

I wanted to take this opportunity to write to you to say how incredibly proud I am of our new S1s. It is hard to believe that they have completed 4 weeks of secondary school and as their year head I have been exceptionally impressed with how well all our S1s have adapted to the new routine of secondary school. The standard of uniform is excellent and all the pupils are adhering to the guidance in relation to COVID-19.

As mentioned in previous communication, supporting the health and wellbeing of all our pupils is at the forefront of our minds and there are various support mechanisms across the Campus that our pupils can access. In PSE our S1s have had the opportunity to reflect on lockdown and discuss any concerns or worries that they had in relation to starting at the Campus. Over the next couple of weeks each S1 pupil will receive a one-to-one interview with their pastoral teacher to allow them to discuss their first month at secondary school. In addition to this class teachers are currently writing S1 reports which will give you an indication as to how your son/daughter is progressing with their learning. It is our hope that we will have these reports out to you prior to the October break.

I know that this has been a difficult time for our S1s but they have been amazing and have made such a positive start. I am thoroughly enjoying being their year head and I cannot wait to see how things progress over the coming session.

As always, if you have any concerns please do not hesitate to contact the school.

Yours sincerely,  
Johana House

Depute Head Teacher  
Garnock Community Campus
